Designed by Linda Permann

Skill Level: Easy

Finished Measurements:

3 1/2" tall x 2 3/4" wide, not including hanging loop.

Special Technique:

Adjustable-ring method—Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring, working over both strands (the tail and the ring). After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.
